

## AIR TYRE INFLATING GUN W/ PRESSURE GUN TG-80

**Brand:** AWTOOLS  
**Reference:** AW100321  
**EAN:** 5903678629502

**660g**  
WAGA

### KEY FEATURES

- Body made of high-strength plastic, lightweight and impact-resistant.
- Analogue dial displays pressure readings through a needle in bar and PSI measurement scale.
- Rubber housing over gauge stops possible impacts and protects from damage.
- Built-in pistol grip trigger allows for precise control over airflow.
- Equipped with a valve head and quick release air button.
- Flexible hose makes it easy to maneuver in tight spaces.
- Quick coupler allows quick connection to the air compressor.
- Perfect for car workshops and tyre shops.
