

AIR TYRE INFLATING GUN W/ LCD PRESSURE GUN TG-7

Brand: AWTOOLS
Reference: AW100322
EAN: 5903678629519

390g
WAGA

KEY FEATURES

- Body made of powder-coated aluminium alloy, lightweight and impact-resistant.
- Integrated LCD blue backlight design for easy reading.
- Comes with four pressure unit readings: PSI, Bar, Kg/cm², Kpa.
- Rubber housing over gauge stops possible impacts and protects from damage.
- Built-in pistol grip trigger allows for precise control over airflow.

- Equipped with a valve head and quick-release air button.
- Flexible hose makes it easy to maneuver in tight spaces.
- Practical hook for hanging.
- Quick coupler allows quick connection to the air compressor.
- Pressure gauge powered by two AAA batteries (included).
 - Perfect for car workshops and tyre shops.

TECHNICAL DATA

- Pressure range: 0-12 bar / 0-170 psi / 0-200 kPa / 0-12,23.
- Hose length: 36 cm.
- Gauge size: 7 cm.
- Air pressure: 0.8.
- Air inlet: 1/4".
- Weight: 390 g.
