

FOOT-OPERATED GREASE PUMP 12L

Brand: AWTOOLS
Reference: AW15944
EAN: 5903678613242

11kg
WAGA

KEY FEATURES

- Solid and tight-sealed steel bucket with a secure lid and powder-coated finish ensures long-lasting performance and resistance to wear and tear.
 - Grease is dispensed by a piston under high pressure, driven by a foot pedal mechanism to generate more power.
 - Pressure valve relieves pressure without removing the connection to the lubrication point.
 - Two front wheels for quick transport and a long handle design for the operator's upright position.
 - Useful when maintaining agricultural and construction machines, equipment, trucks & cars.
-
- Suitable for lubricating components and parts such as bearings, chains, pins, or joints.
 - Comes supplied with a follower plate, trigger handle with flow control, high-pressure hose, extension tube, and flexible hose.

TECHNICAL DATA

- Tank capacity: 12.
- LAir pressure: 25.
- Output: 6g per stroke.
- Weight: 11kg.
