

SLAB & KERB LIFTER 45KG

Brand: AWTOOLS
Reference: AW70652
EAN: 5903678632328

2kg
WAGA

KEY FEATURES

- Steel body with a powder-coated finish resists corrosion and wear for long-lasting performance.
- Ergonomic plastic non-slip grips ensure secure handling and reduce strain.
- Adjustable jaw spacing with locating pins adapts to the size of the lifted element.
- Ideal for lifting kerb and edging stones, granite blocks, setting sidewalks, and other landscaping and masonry tasks.
- Perfect for ground workers and general contractors.
- Easy to transport and reposition throughout the worksite.

TECHNICAL DATA

- Opening size: 300-500mm.
- Total length: 310mm.
