

## WRECKING BAR 300X16MM/ PVC HANDLE

**Brand:** AWTOOLS  
**Reference:** AW31845  
**EAN:** 5903678632267

**500g**  
WAGA

### KEY FEATURES

- Made of a single piece of drop-forged heat-treated tool steel with a powder-coated finish to protect against corrosion.
- Goosneck design adds leverage for more effective nail ripping, increasing efficiency in demolition jobs.
- Equipped with a nail puller (claw) for easy nail removal with limited damage to the surface.
- Suitable for construction tasks such as removing floors, skirting boards, prying out boards, or demolishing interior walls.

### TECHNICAL DATA

- Size: 300mm.
- Profile: 16x16mm.
- Shape: hex.
- Weight: 500g.
