

TILE CUTTER 800MM

Brand: AWTOOLS
Reference: AW46004
EAN: 5903678635275

10.6kg
WAGA

KEY FEATURES

- Sturdy aluminium-profile base ensures exceptional stability for every cut.
- Precision blade-guiding system with ball bearings delivers smooth, effortless operation.
- Tungsten carbide blade provides long-lasting, clean cuts on both thin and thick tiles.
- Integrated tile breaker allows for perfectly precise splits.
- Non-slip work surface and ergonomic handle make every task more comfortable.
- Side supports with a locking mechanism simplify the handling of wide tiles.
- Built-in rulers and angle guide guarantee consistent, accurate cuts.
- Green laser cutting indicator makes positioning tiles quick and easy.
- Versatile compatibility with ceramic, porcelain, and natural stone tiles.
