

FOAM PRESSURE SPRAYER 1L

Brand: AWTOOLS
Reference: AW59600
EAN: 5903678634827

360g
WAGA

KEY FEATURES

- Body made from durable ABS plastic with grips coated in non-slip TPR material for secure handling.
- Semi-translucent tank with a capacity scale allows easy monitoring of detergent levels.
- Equipped with a 6-position chemical dosing control wheel for precise adjustment of the foaming agent.
- Integrated locking clip enables continuous operation without constant trigger pressure.
- Compatible with standard 1/2" hoses via a quick-connect coupling system.
- Suitable for a wide range of outdoor cleaning applications.

TECHNICAL DATA

- Capacity: 1.
- Weight: 360g.
