

1/4" HEX DEEP SOCKET 6MM BLACK LINE

Brand: AWTOOLS
Reference: AW38118BL
EAN: 5903678626723

35g
WAGA

KEY FEATURES

- Made of hardened and tempered CrV steel with a satin-plated finish.
- Rounded angle profile allows for unscrewing damaged screws and protects the shape of the screw head against deformation.
- Knurled ring provides extra grip, and the bearing hole provides a solid connection to the tool.
- Engraved size marking for easy identification.
- Long design provides added accessibility in limited spaces and in hard-to-reach places.
- Useful for unscrewing hexagonal screws and nuts.
- Designed to be mounted on socket wrenches or 1/4" socket extensions.
- Suitable for a wide range of applications including automotive repair, machinery maintenance, and general mechanical work.

TECHNICAL DATA

- Type: hex.
