

STUCCO TROWEL 80MM/ WOODEN HANDLE

Brand: AWTOOLS
Reference: AW28231
EAN: 5903678635398

135g
WAGA

KEY FEATURES

- Working part made of high-quality polished stainless steel, resistant to corrosion and mechanical damage.
- Ergonomic, well-balanced wooden handle provides comfort during extended use.
- Solid metal ferrule reinforces the connection between the handle and the tool.
- Welded steel blade further strengthens the construction, ensuring a stable and long-lasting bond between the handle and the working part.
- Ideal for applying adhesives, fillers, plaster, and decorative compounds on small surfaces or in hard-to-reach areas.
- Perfect for detailed finishing and smoothing work, architectural details, stucco applications, and other precision plastering tasks.

TECHNICAL DATA

- Size: 80x110mm.
- Blade thickness: 0.8mm.
- Handle length: 95mm.
- Weight: 135g.
