Brand: AWTOOLS
Reference: AW28241
EAN: 5903678635299

94mm
MM

175g
WAGA

KEY FEATURES

- Working part made of high-quality polished stainless steel, resistant to corrosion and mechanical damage.
- Trapezoidal blade shape allows easy access to corners, edges, and other hard-to-reach areas.
- Ergonomic, well-balanced wooden handle provides comfort during extended use.
- Solid metal ferrule reinforces the connection between the handle and the tool.
- Welded steel shank further strengthens the construction, ensuring a stable and long-lasting bond between the handle and the working part.
- Perfect for applying adhesives, fillers, and a wide range of mortars with precision and ease.
- Suitable for both DIY enthusiasts and professional tradespeople.
