

4-ROW STEEL WIRE HAND BRUSH 260MM

Brand: AWTOOLS
Reference: AW55021
EAN: 5903678636890

165g
WAGA

KEY FEATURES

- Made of galvanised steel wire securely embedded in a profiled PP body.
- Ergonomically shaped handle coated with non-slip TPR provides a comfortable, secure grip and improved control during use.
- Ideal for removing dirt, rust, paint, and other surface contaminants.
- Highly effective at cleaning welds by removing scale and residue after welding.
- Pre-drilled hanging hole allows for convenient storage and easy access when not in use.
