MM

10kg
WAGA

KEY FEATURES

- Durable tray made from galvanised sheet steel with rolled edges for enhanced rigidity and dent resistance.
- Sturdy welded steel-tube frame securely bolted to the tray, providing excellent structural stability and long-lasting performance.
- Pneumatic wheel featuring a double-ply tyre mounted on a metal rim for smooth and reliable operation.
- Treaded tyre design improves traction and shock absorption across a variety of surfaces and terrain.
- Ergonomic plastic handles offer a comfortable, secure grip for easy manoeuvrability.
- V-shaped support legs provide excellent stability, even when used on uneven ground.
- Versatile and practical for transporting soil, plants, tools, building materials, and other everyday loads.
- Built to handle demanding outdoor and domestic tasks with ease.
