Brand: AWTOOLS
Reference: AW00004
EAN: 5902198740414

385mm
MM

2.65kg
WAGA

KEY FEATURES

- Built from solid cast polyurethane with puncture-proof construction for durability.
- Treaded design improves grip and absorbs shocks for smoother movement across different surfaces.
- Heavy-duty steel rim and axle provide stability when carrying heavy loads, while double ball bearings reduce rolling resistance and make manoeuvring effortless.
- Designed for reliable performance on uneven ground.
- Compatible with most standard wheelbarrows available on the market.
