

SACK TRUCK 200KG

Brand: AWTOOLS
Reference: AW20070
EAN: 5902198742081

9kg
WAGA

KEY FEATURES

- Sturdy frame is made of durable, powder-coated steel, resistant to damage and corrosion.
- Fitted with a fixed footplate to accommodate different-sized loads.
- High back frame allows taller items to be stacked while remaining supported.
- Ergonomic handles made of high-quality plastic ensure a firm grip and comfortable manoeuvring.
- Pneumatic threaded wheels with metal rims guarantee excellent traction and a comfortable ride, even on uneven surfaces.

- Metal wheel guards reduce the risk of mechanical damage and help prolong the lifespan of the sack truck.
- Ideal solution for quickly loading, transporting, and unloading heavy loads in warehouses, workshops, shops, and households.
