

CRIMPED BRASS WIRE HAND BRUSH 250MM

Brand: AWTOOLS
Reference: AW55001
EAN: 5902198748809

125g
WAGA

KEY FEATURES

- Made of crimped steel wire, brass-coated, rust and corrosion resistant.
- Aluminum housing with plastic, ergonomic handle and finger grooves provide a firm grip.
- Narrow profile enables access into tight areas.
- Perfect for gentle cleaning of materials without damaging surfaces.
- Designed for removing rust, old paint coatings, and paint, as well as for cleaning and preparing metal surfaces.

- Hanging hole for easy storage.
