

TILE LEVELING PLIERS 190MM

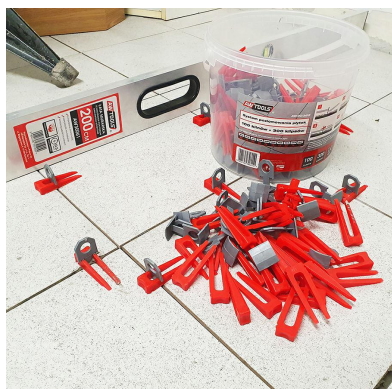

Brand: AWTOOLS
Reference: AW30348
EAN: 5903041032182

1.0mm
MM

130g
WAGA

KEY FEATURES

- Made from flexible plastic that resists mechanical damage.
- Ergonomic handle reduces hand fatigue.
- Compatible with most popular tile leveling systems for both floors and walls.
- How to use: Place the pliers with the front end over the wedge and the rear jaw against its edge.
- Adjust the jaw spacing, then squeeze the handle to press the wedge into the clip and lift the tile.
