

CURVED TYRE LEVER 30" 750MM

Brand: AWTOOLS
Reference: AW18134
EAN: 5903041035428

1.1kg
WAGA

KEY FEATURES

- Made of drop-forged tool steel, with chrome-plated finish to reduce slippage.
- Reinforced with double T-section to ensure maximum resistance.
- Curved design allows to increase the leverage on the tyre.
- Comes with full rounded edges to protect the rim or tyre from damage.
- Used to help remove and replace tyres on vehicles by prying the tyre off the rim with leverage.

TECHNICAL DATA

- Size: 30"/ 750 mm.
- Weight: 1.1 kg SHOP AT EMAST.PL.
