EAN: 5903041036166

880g
WAGA

KEY FEATURES

- Made of hardened and tempered CrV steel, with a corrosion-resistant chrome plating and a polished finish.
- Combines an open-ended spanner on one end with a ring spanner on the other.
- Both ends are offset from the shaft at a 15-degree angle to provide better clearance.
- With 72 teeth and a 5° action arc, it delivers extreme torque, enabling work in hard-to-reach places.
- Switch lever for quick change of right and left direction.
- Clear size markings for quick identification.
- Ideal for tightening or loosening bolts and nuts.
- Used in mechanical work and automatic repairs.
- Comes in a plastic storage rack with a handle.
