

GARDEN PALISADE BORDER 2,3MB 8X5 MODULE

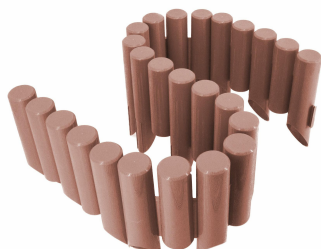

Brand: AWTOOLS
Reference: AW60420
EAN: 5903678603649

280mm
MM

1.6kg
WAGA

KEY FEATURES

- Made of waterproof, elastic and recycled plastic material with a wood-like texture finish.
- Easy and quick assembly in any shape as desired: circles, straight and curved lines, arcs.
- Special system that allows connecting one module to another.
- Individual elements are 23.5 centimeters high and 28 centimeters long.
- Spike design prevents it from breaking while sticking into the ground.
- Designed to separate lawns from plantings in the garden, to separate sidewalks and paths.
