

## AUTOMOTIVE VOLTAGE TESTER 6-24V

**Brand:** AWTOOLS  
**Reference:** AW17800  
**EAN:** 5903678604585

**24V**  
LI-ION

**40g**  
WAGA

### KEY FEATURES

- Probe made of hardened carbon steel.
- Transparent housing made of ABS plastic.
- LED light indicates voltage.
- Equipped with a connection cable with a grounding clamp 'alligator clip'.
- Suitable for DC voltage.
- Ideal for checking circuits, fuses, switches and wiring on automobiles, trailers, boats, motorcycles and other low voltage systems.

### TECHNICAL DATA

- Overall length: approx. 140 mm.
- Measuring range: from 6.
- VCable length: 90 cm.
- Weight: 40 g.
