EAN: 5903678611750

15mm
MM

225g
WAGA

KEY FEATURES

- Blades are made of carbon steel, heat-treated and ground-sharpened.
- Lower blade with chrome-coated finish for corrosion resistance.
- Curved head design enables easy access, greater reach, and reduces wrist fatigue.
- Ergonomically designed aluminium handles coated with non-slip PVC material for a firm grip.
- Spring-loaded action automatically opens the blades after each cut.
- Safety lock secures the blades for safe storage and easy transport.
- Designed for pruning branches, stems, flowers, and shrubs.

TECHNICAL DATA

- Steel: #50.
- Size: 200mm.
- Cutting diameter: 15mm.
- Cutting angle: 45°.
- Weight: 225g.
