

SWIVEL GRASS SHEARS PTFE 333MM/ SOFT HANDLE

Brand: AWTOOLS
Reference: AW63080
EAN: 5903678611606

430g
WAGA

KEY FEATURES

- Blades are made of carbon steel, hardened, and ground.
- Upper blade with polished finish for precise cuts.
- Non-stick PTFE (teflon) layer on the lower blade to reduce friction during cutting.
- Cutting head rotates 90° for easy trimming at any angle.
- Ergonomic aluminium handles coated with non-slip soft material.
- Adjustable thumb-lock to keep the blades securely closed when not in use.
- Perfect for trimming grass around flower beds, trees, and sidewalks.

TECHNICAL DATA

- Steel: #50.
- Size: 333mm.
- Cutting angle: 0-90°.
- Weight: 430 g.
