

1/2" HEX DEEP IMPACT SOCKET 22MM BLACK LINE

Brand: AWTOOLS
Reference: AW38635BL
EAN: 5903678619572

270g
WAGA

KEY FEATURES

- Made of hardened and impact-resistant CrMo steel with a black oxide finish.
- Rounded head profile allows for unscrewing damaged screws, and protects the shape of the screw head against deformation.
- High-visibility stamped size markings for easy identification.
- Long design provides added accessibility in limited spaces and in hard-to-reach places.
- Designed to work with pneumatic, electric, and cordless impact wrenches.
- Suitable for a wide range of applications, including automotive repair, machinery maintenance, and general mechanical work.

TECHNICAL DATA
