

## 1/2" HEX DEEP IMPACT SOCKET 30MM BLACK LINE

**Brand:** AWTOOLS  
**Reference:** AW38643BL  
**EAN:** 5903678619602

**430g**  
WAGA

### KEY FEATURES

- Made of hardened and impact-resistant CrMo steel with a black oxide finish.
- Rounded head profile allows for unscrewing damaged screws, and protects the shape of the screw head against deformation.
- High-visibility stamped size markings for easy identification.
- Long design provides added accessibility in limited spaces and in hard-to-reach places.
- Designed to work with pneumatic, electric, and cordless impact wrenches.
- Suitable for a wide range of applications, including automotive repair, machinery maintenance, and general mechanical work.

### TECHNICAL DATA

- Profile: 6-point.
- Drive: 1/2".
- Size: 30mm.
- Weight: 430g.
