

## LAWN ROLLER 50CM

**Brand:** AWTOOLS  
**Reference:** AW00390  
**EAN:** 5903678616052

**6.9kg**  
WAGA

## KEY FEATURES

- Made from durable, damage-resistant steel with a powder-coated finish for long-lasting use.
- Can be filled with water or sand to achieve extra weight for effective lawn rolling.
- Foldable handle allows for easy transport and compact storage.
- Equipped with a scraper bar to remove excess soil from the roller.
- Ideal for lawn preparation, seeding, and fertilizing tasks.

- Optional clamp with spikes (model AW00391) can be added for aerating.
- Includes a drum plug for easy filling and emptying of the roller.
- Made in Poland.

## TECHNICAL DATA

- Roller width: 50cm.
- Drum diameter: 27cm.
- Total height: 120cm.
- Weight: 6.9kg.
