

TROLLEY SWIVEL WHEEL WITH RUBBER TYRE & BRAKE 200MM

Brand: AWTOOLS
Reference: AW23327
EAN: 5903678623562

2.8kg
WAGA

KEY FEATURES

- Housing made of galvanised steel sheet, fixed to the top plate using bolt with nut.
- Pressed steel rim with roller bearing for smooth rotation and reduced friction.
- Non-slip solid rubber tread with grooved edges for extra traction.
- Can rotate 360 degree around their own axis, ensuring full mobility.
- Brake prevents the wheel from spinning, helping to keep cart in place, even on slopes.
- Suitable for professional warehouse and industrial trolley applications, as well as for household usage.
