

HYDRAULIC BOTTLE JACK 12T 217-405MM

Brand: AWTOOLS
Reference: AW20005
EAN: 5902198740056

7kg
WAGA

KEY FEATURES

- Made of heavy-duty drop-forged alloyed steel with a powder-coated finish.
- Welded inside and out to ensure leak-free performance.
- Equipped with a long pump handle for easy pumping action and extra leverage.
- Chrome-plated piston for extra rust and corrosion resistance.
- Heat treated adjustable extension screw provides precise height adjustments.
- Built-in safety relief valve protects against overloading.
- Release valve at the base allows the jack to be lowered to its minimum height.
- Oversized cast iron base for extra durability.
- Serrated saddle provides a secure lifting grip.
- Fitted with a practical carrying handle for easy transport.
- Suitable for working in a vertical position.

- Ideal for tyre services, roadside assistance, and autobody repair workshops.
