

HYDRAULIC BOTTLE JACK 50T 300-480MM

Brand: AWTOOLS
Reference: AW20009
EAN: 5902198740094

31.5kg
WAGA

KEY FEATURES

- Made of heavy-duty drop-forged alloy steel with a powder-coated finish.
- Welded inside and out to ensure leak-free performance.
- Equipped with a long pump handle for easy pumping action and extra leverage.
- Chrome-plated piston for extra rust and corrosion resistance.
- Heat treated adjustable extension screw provides precise height adjustments.

- Built-in safety relief valve protects against overloading.
- Release valve at the base allows the jack to be lowered to its minimum height.
- Oversized cast iron base for extra durability.
- Serrated saddle provides a secure lifting grip.
- Fitted with a practical carrying handle for easy transport.

- Suitable for working in a vertical position.
- Ideal for tyre services, roadside assistance, and autobody repair workshops.
