Brand: AWTOOLS
Reference: AW32251BL
EAN: 5903678604219

700g
WAGA

KEY FEATURES

- Round polyurethane hollow head partially filled with steel shot, which prevents rebound and absorbs shock upon impact.
- Head weight combined with the long handle guarantees optimal striking power.
- White rubber head leaves no marks or stripes on light surfaces, making it perfect for delicate tasks.
- Metal body with powder-coated finish for long-lasting use.
- Handle made of high-quality ash wood with a varnished finish for additional protection against moisture and wear.
- Designed for tiling, paving, renovation and finishing, assembly, sheet metal, and carpentry work.
- Technical specifications: Diameter: 40mm Length: 350mm Head weight: 430g Total weight: 700g.
