

DIAMOND CORE DRILL BIT 1-1/4" 202/430MM

Brand: AWTOOLS
Reference: AW47385
EAN: 5903678627300

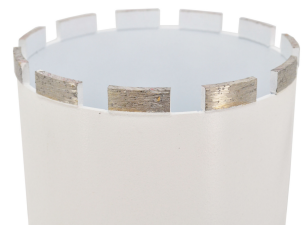

202mm
MM

8.3kg
WAGA

KEY FEATURES

- Body made of high-quality alloy steel with improved wear resistance and powder-coated finish.
- Laser-welded hardened cutting segments with a high diamond concentration for optimal performance and longer lifespan.
- Ideal for drilling deep holes in granite, hard stone, concrete, reinforced concrete and other hard building materials.
- Can be used for both dry and wet drilling.
- Compatible with most diamond core drills available on the market.
- Used for making holes in electrical and plumbing installations, HVAC systems, and anchors for attaching fixtures.

TECHNICAL DATA

- Diameter: 202 mm.
- Working length: 430 mm.
- Drive: 1-1/4".

- Weight: 8.3 kg.
