

SOCKET REDUCTION ADAPTER 1/2"X3/8"; BLACK LINE

Brand: AWTOOLS
Reference: AW38287BL
EAN: 5903678621315

55g
WAGA

KEY FEATURES

- Made of hardened and tempered CrV steel with a satin finish for increased strength and tightening capacity.
- Spring-loaded locking ball holds the socket securely in place and prevents from falling out.
- Hexagonal profile allows a very good tightening operation, without deforming the socket or the nut.
- Suitable for quick and easy adjustment of tools with different socket sizes.

TECHNICAL DATA

- Ratchet/ bar drive: 1/2".
- Socket drive: 3/8".
- Weight: 55g.
